REQUEST FOR RECONSIDERATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Request for Reconsideration is filed in response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures ("Notice") mailed on June 7, 2001. The Notice contained a two month shortened statutory period for reply. Accordingly, this response is filed within the time period set by the Examiner.

It is respectfully submitted that applicants are not required to submit "a statement that the content of the sequence listing information recorded in computer readable form is identical to the written . . . sequence listing . . ." or a copy of the "Sequence Listing in computer readable form because the foregoing were provided in the parent application, Serial No. 08/669,304. A copy of the Sequence Listing filed in the parent application along with a copy of the date-stamped filing receipt is attached hereto.

To the extent necessary, the Assistant Commissioner is authorized to grant any extension of time deemed needed for entry of this document and to charge additional fees associated with this communication or such extension of time or credit any overpayment to Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS
